CONSTITUTION

OF THE

State of North Carolina

PREAMBLE

Preamble.

We, the people of the State of North Carolina, grateful to Almighty God, the Sovereign Ruler of Nations, for the preservation of the American Union and the existence of our civil, political, and religious liberties, and acknowledging our dependence upon Him for the continuance of those blessings to us and our posterity, do, for the more certain security thereof and for the better government of this State, ordain and establish this Constitution:

ARTICLE I

DECLARATION OF RIGHTS

That the great, general, and essential principles of liberty and free government may be recognized and established, and that the relations of this State to the Union and Government of the United States, and those of the people of this State to the rest of the American people, may be defined and affirmed, we do declare:

The equality and inalienable rights of men.

Section 1. *The equality and rights of persons.* That we hold it to be self-evident that all persons are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, the enjoyment of the fruits of their own labor, and the pursuit of happiness.

Political power and government.

Sec. 2. *Political power and government.* That all political power is vested in, and derived from, the people; all government of right originates from the people, is founded upon their will only, and is instituted solely for the good of the whole.

Internal government of the State.

Sec. 3. *Internal government of the State.* That the people of this State have the inherent, sole and exclusive right of regulating the internal government and policies thereof, and of altering and abolishing their Constitution and form of government whenever it may be necessary for their safety and happiness; but every such right should be exercised in pursuance of the law, and consistently with the Constitution of the United States.

That there is no right to secede.

Sec. 4. *That there is no right to secede.* That this State shall ever remain a member of the American Union; that the people thereof are a part of the American Nation; that there is no right on the part of the State to secede, and that all attempts, from whatever source or upon whatever pretext, to dissolve said Union

or to sever said Nation, ought to be resisted with the whole power of the State.

Paramount allegiance to the U. S. Government.

Sec. 5. *Of allegiance to the United States Government.* That every citizen of this State owes paramount allegiance to the Constitution and Government of the United States, and that no law or ordinance of the State in contravention or subversion thereof can have any binding force.

Public debt; bonds issued under ordinance of Convention of 1868, 1868-'69, 1869-'70 declared invalid.

Sec. 6. *Public debt; bonds issued under ordinance of Convention of* 1868, '68-'69, '69-'70, *declared invalid; exception.* The State shall never assume or pay, or authorize the collection of any debt or obligation, express or implied, incurred in aid of insurrection or rebellion against the United States, or any claim for the loss or emancipation of any slave; nor shall the General Assembly assume or pay, or authorize the collection of any tax to pay, either directly or indirectly, expressed or implied, any debt or bond incurred, or issued, by authority of the Convention of the year one thousand eight hundred and sixty-eight, nor any debt or bond incurred or issued by the Legislature of the year one thousand eight hundred and sixty-eight, either at its special session of the year one thousand eight hundred and sixty-eight, or at its regular sessions of the years one thousand eight hundred and sixty-eight and one thousand eight hundred and sixty-nine, and one thousand eight hundred and sixty-nine and one thousand eight hundred and seventy, except the bonds issued to fund the interest on the old debt of the State, unless the proposing to pay the same shall have first been submitted to the people, and by them ratified by the vote of a majority of all the qualified voters of the State at a regular election held for that purpose.

Exception.

Exclusive emoluments, etc.

Sec. 7. *Exclusive emoluments, etc.* No person or set of persons are entitled to exclusive or separate emoluments or privileges from the community but in consideration of public services.

The legislative, executive and judicial powers distinct.

Sec. 8. *The legislative, executive, and judicial powers distinct.* The legislative, executive, and supreme judicial powers of the government ought to be forever separate and distinct from each other.

Of the power of suspending laws.

Sec. 9. *Of the power of suspending laws.* All power of suspending laws, or the execution of laws, by an authority, without the consent of the representatives of the people, is injurious to their rights, and ought not to be exercised.

Election free.

Sec. 10. *Election free.* All elections ought to be free.

In criminal prosecutions.

Sec. 11. *In criminal prosecutions.* In all criminal prosecutions, every person charged with crime has the right to be informed of the accusation and to confront the accusers and witnesses with other testimony, and to have counsel for defense, and not be compelled to give self-incriminating evidence, or to pay costs, jail fees, or necessary witness fees of the defense, unless found guilty.

Answers to criminal charges.

Sec. 12. *Answers to criminal charges.* No person shall be put to answer any criminal charge except as hereinafter allowed, but by indictment, presentment or impeachement.

Right of trial by jury.

Sec. 13. *Right of jury.* No person shall be convicted of any crime but by the unanimous verdict of a jury of good and lawful persons in open court. The Legislature may, however, provide other means of trial for petty misdemeanors, with the right of appeal.

Excessive bail.

Sec. 14. *Excessive bail.* Excessive bail should not be required, nor excessive fines imposed, nor cruel or unusual punishments inflicted.

General warrants.

Sec. 15. *General warrants.* General warrants, whereby any officer or messenger may be commanded to search suspected places, without evidence of the act committed, or to seize any person or persons not named, whose offense is not particularly described and supported by evidence, are dangerous to liberty, and ought not to be granted.

Imprisonment for debt.

Sec. 16. *Imprisonment for debt.* There shall be no imprisonment for debt in this State, except in cases of fraud.

No person taken, etc., but by law of the land.

Sec. 17. *No person taken, etc., but by law of the land.* No person ought to be taken, imprisoned, or disseized of his freehold, liberties or privileges, or outlawed or exiled, or in any manner deprived of his life, liberty or property but by the law of the land.

Persons restrained of liberty.

The General Assembly of North Carolina do enact:

G. S., Art. 21, Ch. 15, providing for segregation of youthful offenders, enacted.

SECTION 1. Chapter 15 of the General Statutes of North Carolina is hereby amended by adding at the end of the Chapter an Article as follows:

Art. 21. Segregation of Youthful Offenders.

G. S., 15-210, purpose of Article.

Sec. 15-210. Purpose of Article. It is the purpose of this Article to improve the chances of rehabilitation of youthful offenders sentenced to imprisonment by preventing, as far as practicable, their association during their terms of imprisonment with older and more experienced criminals.

G. S., 15-211, "youthful offender" defined.

Sec. 15-211. Definition of "youthful offender." As used in this Article a "youthful offender" is a person

(1) Who, at the time of imposition of sentence, is less than twenty-one years of age, and

(2) Who has not previously served a term or terms or parts thereof totaling more than six months in jail or other prison.

G. S., 15-212, sentence of youthful offenders.

Sec. 15-212. Sentence of youthful offenders. Any judge of any court who sentences a youthful offender to imprisonment in the State Prison or to jail to be assigned to work under the State Highway and Public Works Commission, if in his opinion such person will be benefited by being kept separate, while performing his sentence, from prisoners other than youthful offenders, shall, as a part of the sentence of such person, provide that he shall be segregated as a youthful offender.

G. S., 15-213, segregation of youthful offenders, by State Highway and Public Works Commission.

Sec. 15-213. Segregation of youthful offenders. The State Highway and Public Works Commission shall segregate all youthful offenders whose sentences provide for such segregation and shall neither quarter nor work such prisoners, except in cases of emergency of when temporarily necessary, with other prisoners not coming within that classification.

(1) The State Highway and Public Works Commission shall, in so far as is possible, provide personnel specially qualified by training, experience and personality to operate units that may be set up to effect the segregation provided in this Article.

G. S., 15-214, extension of provisions of act to persons sentenced prior to July 1st, 1947.

Sec. 15-214. Extension to persons sentenced prior to July 1st, 1947.

(1) All persons who on July 1st, 1947, shall be serving sentences in the State Prison or sentences to jail with assignment to work under the State Highway and Public Works Commission and

(2) All persons who shall be so sentenced prior to July 1st, 1947, even though they begin to serve such sentences after that date,

Provided such persons at the time of imposition of sentence came within the meaning of the term "youthful offender" as used in this Article.

(b) The State Highway and Public Works Commission shall determine which of the prisoners coming within the provisions of Subsection (a) of this Section will probably be benefited by being segregated as provided in Section 15-213, and such prisoners shall thereafter be so segregated as if their sentences so provided.

Sec. 15-215. Termination of segregation. The State Highway and Public Works Commission shall have authority to terminate the segregation as a youthful offender of any prisoner who, in the opinion of the commission, exercises a bad influence upon his fellow prisoners, or fails to take proper advantage of the opportunities offered by such segregation.

G. S., 15-215, grounds for termination of segregation.

Sec. 15-216. Persons to whom Article not applicable.

G. S., 15-216, persons to whom Article not applicable.

(a) Since offenders who may be sentenced to terms of less than six months, but who come within the meaning of the term "youthful offender" as used in this Article, may be placed upon probation if the judge imposing sentence is of the opinion that they may be rehabilitated, this Article shall not apply to any person sentenced for a term of less than six months.

(b) Since special provision has already been made for suitable quarters for women prisoners, and since judges may specifically assign women convicted of offenses to such quarters, this Article shall not apply to women.

SEC. 2. Section 148-44 of the General Statutes is hereby amended by striking out the words, "and, in so far as is practical to do so, shall provide for youthful convicts to segregate to themselves," and by inserting in lieu thereof the words, "and shall provide for segregation of youthful offenders as required by Sections 15-210 to 15-215."

AN ACT TO APPROPRIATE AND TRANSFER $9,300,000 FROM GENERAL FUND TO POST WAR RESERVE FUND, AND AMEND THE POST WAR FUND ACT, CHAPTER 6, SESSION LAWS 1943, TO PROVIDE FOR TRANSFER OF FUNDS FROM THE POST WAR RESERVE FUND TO THE GENERAL FUND.

Preamble:

Appropriations for General Fund operations during 1947-49.

WHEREAS, appropriations providing for General Fund operations during the 1947-49 biennium reflect present inflationary conditions and are the largest in the State's history, exceeding current appropriations by approximately $45,000,000, and,

Purposes of increased appropriations.

WHEREAS, the major part of the increased appropriations is for the purpose of providing a 20% salary increase for public school teachers and other State employees to enable them to meet the present high cost of living, and to make it possible for the State to offer salaries which would attract and hold efficient employees, and,

Estimated revenue collections.

WHEREAS, it is estimated, in the light of present experience, that revenues will be sufficient to meet appropriations, but it is apprehensively recognized that the revenues estimated for the 1947-49 biennium are over $26,000,000 greater than the revenues ever collected in any biennium, other than the present, and are only about 4% less than collections expected to be realized in the present abnormal two-year period ending June 30th, 1947, and,

Period of stabilization anticipated.

WHEREAS, it is generally accepted that a period of economic stabilization is in prospect and a downward adjustment from present inflated conditions is likely to transpire, and that such an adjustment will be reflected in the State's revenue collections, if and when it comes, and,

WHEREAS, a moderate recession in general economic conditions not even bordering on an economic collapse would result in the loss of a large amount of General Fund revenue thereby nullifying the increase in services and salary raises provided in the appropriations, and,

General Fund revenue affected by economic conditions.

WHEREAS, it is futile to make appropriations unless funds to meet these appropriations are, insofar as possible, definitely assured, and,

Assurance of funds to meet appropriations necessary.

WHEREAS, the considerations which make it necessary to increase the pay of public school teachers and other State employees, in fulfillment of the obligation to maintain the public education system and other State services on the highest level possible, also demand that every reasonable effort must be made to insure that these appropriations will be met, and financial chaos, which could result from declining revenue during the next biennium, and be obviated, and,

Measures to insure appropriations will be met, demanded.

WHEREAS, it is considered that the uncertainty of revenue collections can and should be met by the creation of a special reserve fund of $30,000,000 for this purpose, and,

A special reserve fund deemed necessary.

WHEREAS, the General Assembly of 1943, created a Post War Rerseve Fund of $20,000,000, which sum augmented by interest earnings, accrued to June 30th, 1947, amounting to $700,000, now rests in the State Treasury subject to use duly directed by the General Assembly, and,

Post War Reserve Fund created in 1943.

WHEREAS, there are additional surplus funds in the General Fund which are available and may be appropriated and transferred for the purpose of increasing the Post War Reserve Fund to provide a reserve fund aggregating $30,000,000. *Now, therefore,*

Surplus Funds in General Fund which may be transferred to Reserve Fund.

The General Assembly of North Carolina do enact:

SECTION 1. The sum of $9,300,000 is hereby appropriated and transferred from surplus funds in the General Fund to the Post War Reserve Fund.

Fund to the General Fund operating account only to replace loss of revenue, which loss may have become great enough to prevent the State from carrying out the purposes and providing funds therefor as contemplated by General Fund appropriations made by the General Assembly; and transfers may be made from this Reserve Fund to the State's General Fund operating account for the purposes set out above by the Governor with the approval of the Advisory Budget Commission."

Conflicting laws repealed.

SEC. 3. All laws and clauses of laws in conflict with this Act are hereby repealed.

AN ACT APPROVING THE ACTION OF THE BOARD OF INVESTIGATION APPOINTED BY SENATE BILL NO. 188 WITH REFERENCE TO THE AFFAIRS OF THE HALIFAX COUNTY ALCOHOLIC BEVERAGE CONTROL BOARD AND THE HALIFAX COUNTY BOARD OF COMMISSIONERS.

Preamble:

Appointment of Board of Investigation, Halifax County.

WHEREAS, Senate Bill No. 188 at this Session of the General Assembly appointed a Board of Investigation for Halifax County for the purposes set out in said bill; and

Report of Board to 1947 General Assembly.

WHEREAS, the said Board of Investigation for Halifax County has made its report in writing, which is as follows:

Meeting and qualification of Board members.

"Pursuant to directions as set forth in Senate Bill 188, the Investigating Board of Halifax County met at the Courthouse in Halifax at ten A. M. March 3rd, 1947, and, having been duly sworn, elected Mr. F. H. Gregory chairman and Mr. Ennis Bryan secretary. The members present were Mr. Ira J. Hoover,

Mr. C. J. Leonard, and Mr. S. H. Akers, and Mr. Ennis Bryan. At that meeting the secretary was directed to give notice through all newspapers and radio stations within the County of Halifax of a public hearing to be held at ten A. M. March 10th, 1947, at the Courthouse in Halifax. The meeting was then adjourned.

Notice of hearing.

Meeting of Board.

"The Investigation Board of Halifax County, in regular meeting held in the County Commissioners' Room, Halifax County Courthouse, Monday, March 10th, 1947, with all members present, adopted the following resolution by a unanimous vote:

Findings of Board.

"Resolved that the Investigation Board of Halifax County finds that Mr. G. H. Johnson, acting as Temporary Supervisor of the Halifax County Alcoholic Beverages Control Board from July 2nd, 1943, to February 1st, 1947, may have technically but not intentionally violated the law with reference to his accepting appointment as such temporary supervisor. However, in view of the evidence presented to it, this board feels that Mr. Johnson's services were of substantial benefit to the county and that in all justice and equity he should be allowed the sums heretofore paid him by the Halifax County Alcoholic Beverages Control Board as shown by its records, amounting to four thousand six hundred and thirty-two dollars ($4,632.00) plus mileage.

Further findings.

"This board further finds, from the evidence taken, that through the resignation of the former supervisor and the resignation of a member of the Alcoholic Beverages Control Board, the business of the Alcoholic Beverages Control Board was thrown into a state of emergency; and this Board of Investigation feels that the Halifax County Alcoholic Beverages Control Board is to be commended on the prompt action it took to straighten out its affairs and that the county profited from this prompt action.

"Attached hereto is a statement showing the managerial salaries of the Halifax County Alcoholic Beverages Control Board for the fiscal years beginning July 1st, 1940, through June 30th, 1946, and the period from July 1st, 1946, through January 31st, 1947.

"This board further finds that by reason of ignorance of the law Mr. J. R. Wrenn was overpaid in the amount of two hundred ten dollars ($210.00) and that this sum has been returned to Halifax County. Additional findings.

"/s/ FLETCHER H. GREGORY
Chairman
/s/ ENNIS BRYAN
Secretary"

Now, therefore:

The General Assembly of North Carolina do enact:

SECTION 1. That the report filed by the said Board of Investigation for Halifax County is hereby accepted and approved. Approval of report of Halifax County Board of Investigation.

H. Johnson, and said G. H. Johnson is relieved of all liability on account of having received the same. Compensation paid to G. H. Johnson by Halifax County A. B. C. Board, validated. A. B. C. SEC. 3. That the action of the Board of Commissioners of Halifax County in erroneously making per diem payments to J. R. Wrenn, as chairman, in excess of the amount due him of two hundred ten dollars ($210.00), which overpayment was refunded by the said J. R. Wrenn when same was called to his attention and accepted by the said Board of Commissioners of Halifax County in settlement thereof, is hereby approved. And the action of the Halifax County Alcoholic Beverages Control Board in accepting from G. H. Johnson the sum of three hundred three dollars ($303.00), paid to G. H. Johnson as per diem allowances, which was refunded by said G. H.
